In a distant land, the sun was
shining over a calm forest...

In that forest,

everyone is everyone's friend.

And today there is a special visitor...

GRIN!

She is a "big child". Grin is 5 years old already. She is very happy... GRIN is smiling all the time!

Hello!

I am GREEN!

What's going on?
Why doesn't anyone want
to be my friend?

Calm down...that's just a matter
of speaking correctly.

I know how to speak. I am a "big child" ...
BABIES don't know how to speak.
I am 5 years old... I KNOW!!!

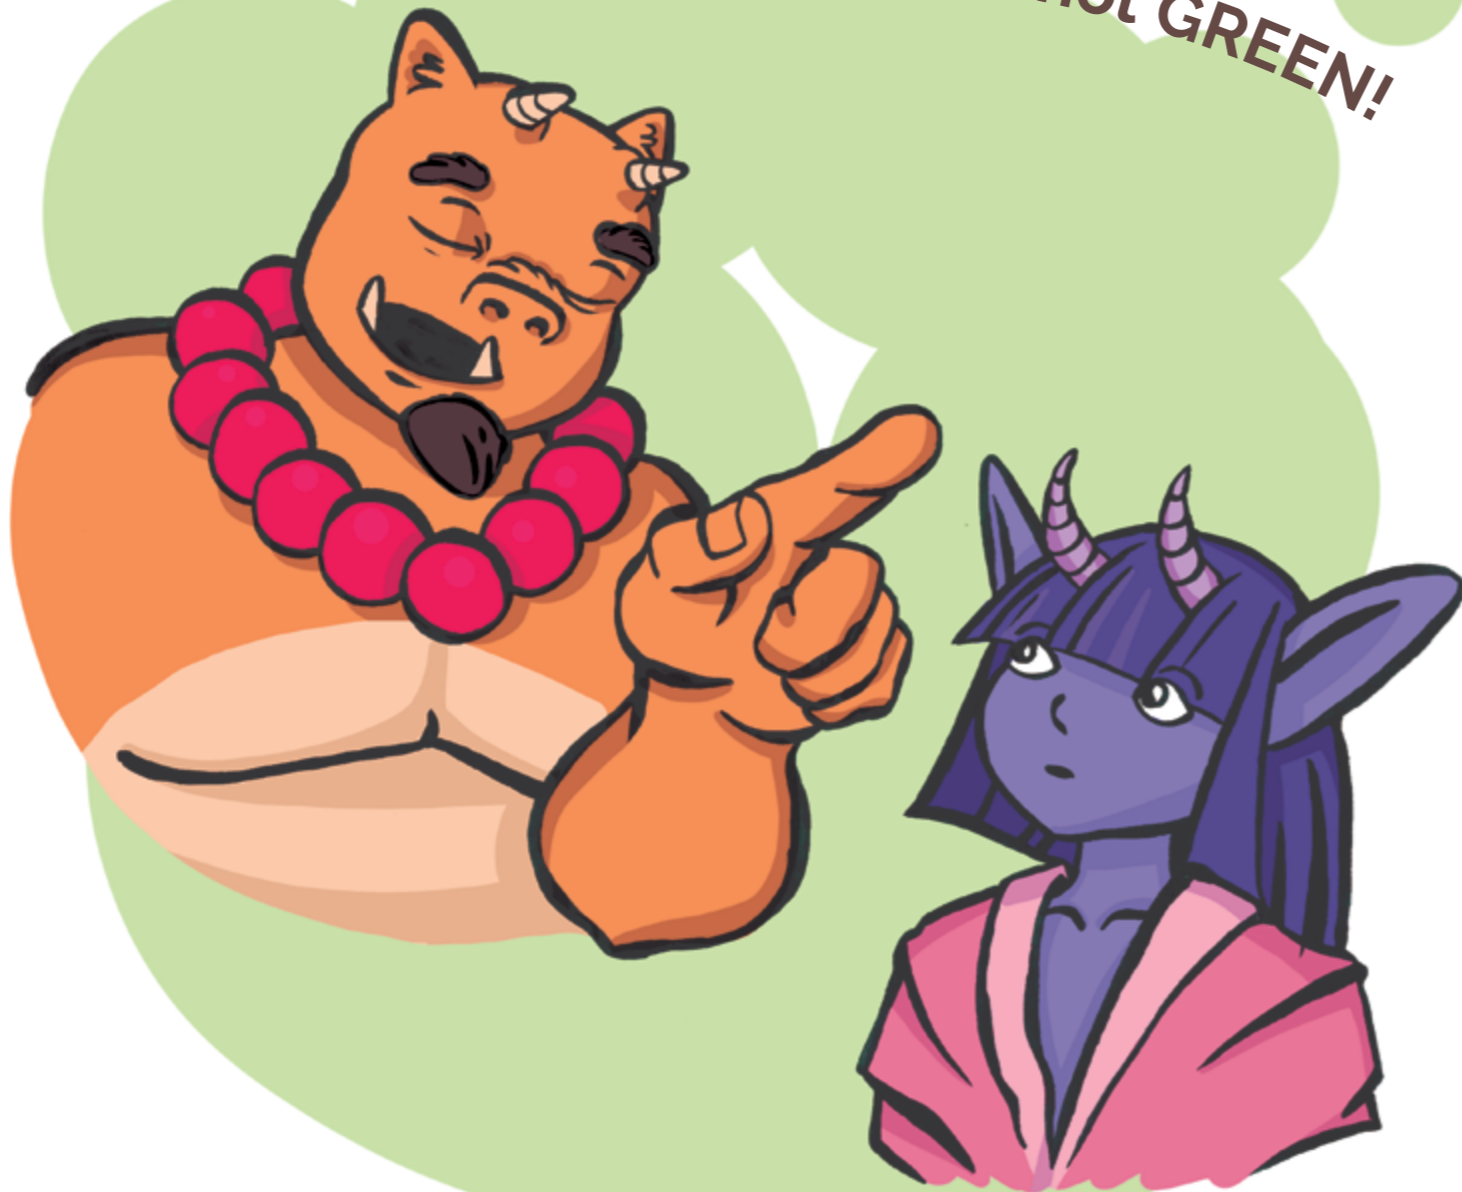

I understand you. You really
are a big child... You are great!

BUT... Some words have a special way
to say... They are special words... Pairs...

Minimal differences... **MINIMAL PAIRS!**
Look at your name... Your name is special!

Your are GRIN! It is not GREEN!

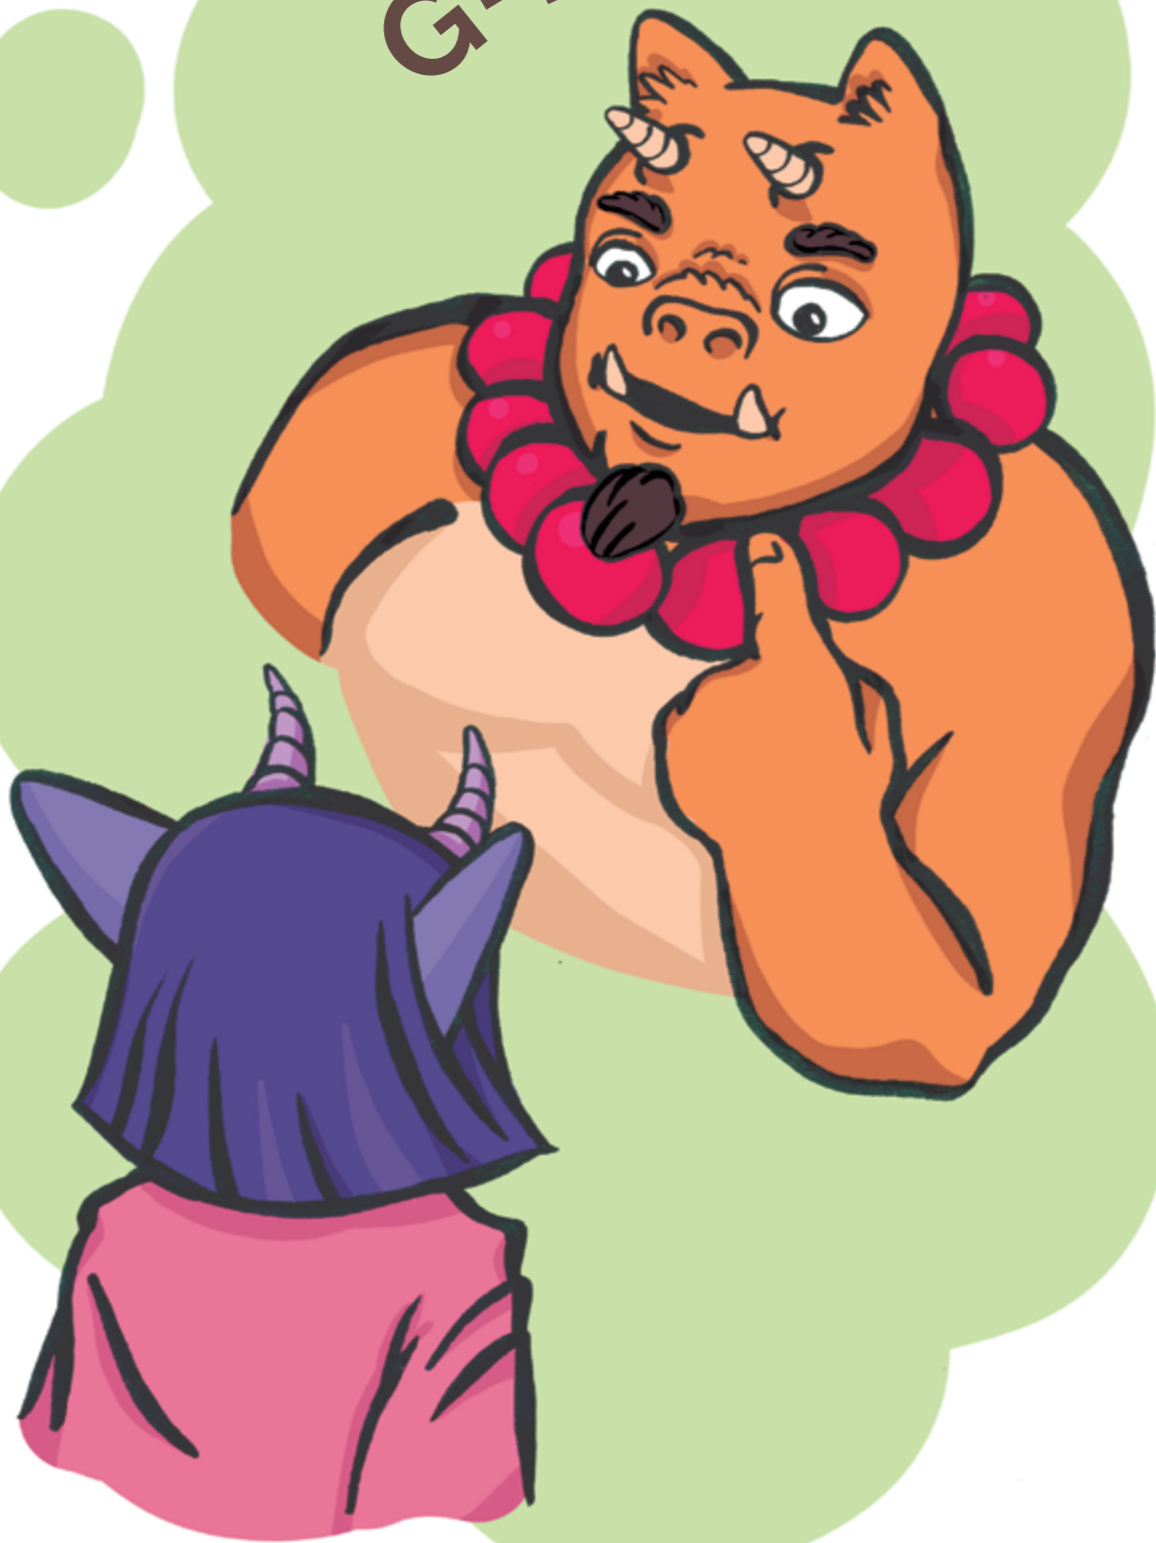

GRIN

is not

GREEN

Look at me!
G-R-I-N!

You just need to practice.
I am here and I am going to practice
with you. We are friends!

The next day...

Good morning! It's a relief to see you!
I am ready to start!
I couldn't even **SLIP** well!
I counted a thousand **SHIPS** and nothing...
I can feel the **BITS** of my heart!

STOP! STOP! PLEASE...
STOP!

You couldn't SLEEP well,

"SLIP" is a different thing!

You counted a

thousand SHEEP,

"SHIP" is a different thing!

You can feel the

BEATS of your heart,

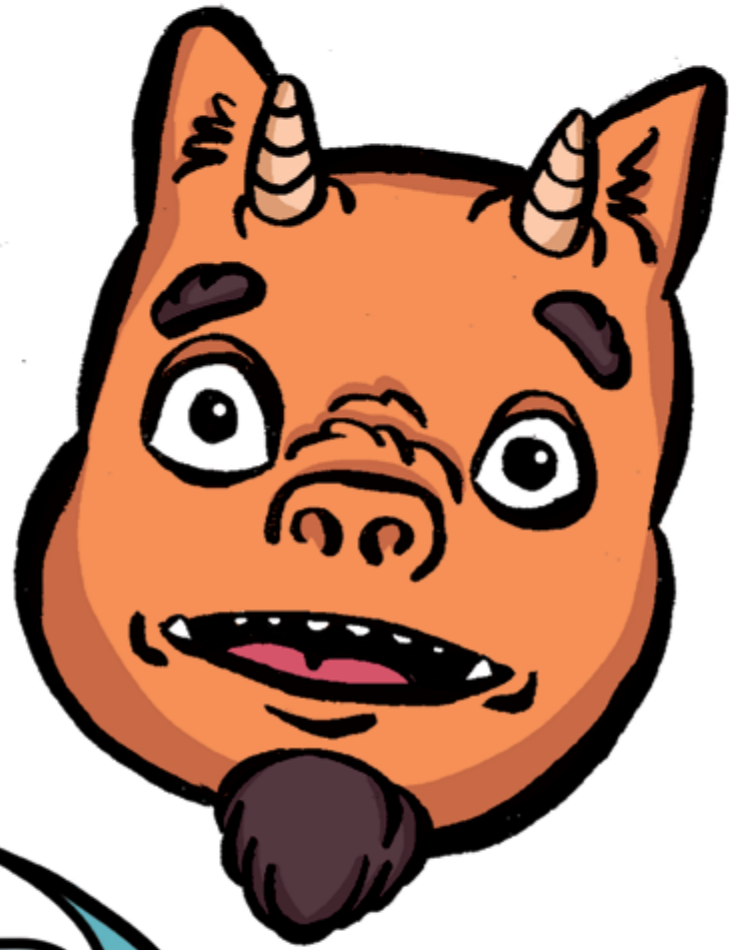

"BIT" is a different thing!

Let's get some practice!

YOU CAN DO IT!

You are **G - R - I - N!**
Your smile is amazing, **BUT...** you can't
smile that much to say your name!
You need to relax your lips.

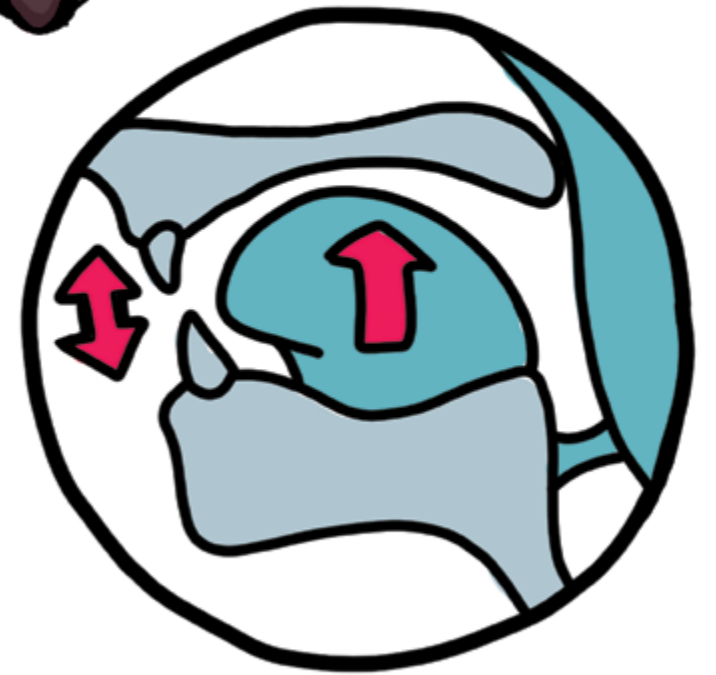

Your mouth is not
gonna be very open,
and not very closed...

just relax and say: **GRIN!**

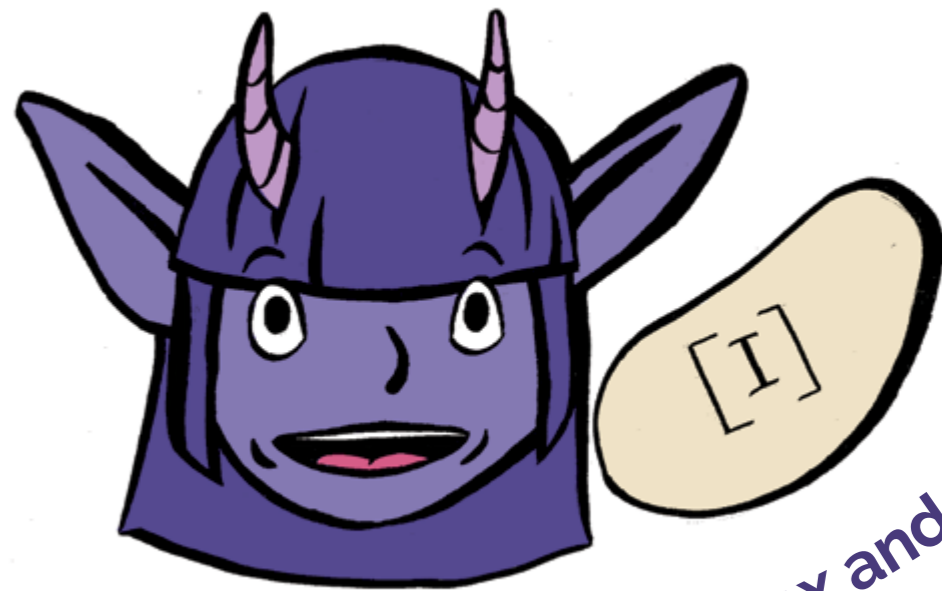

On the other hand,
for **S-L-E-E-P** and **S-H-E-E-P**, pull your
lips back into a smile position.

That's the way American speakers say
C-H-E-E-S-E
when posing for pictures!

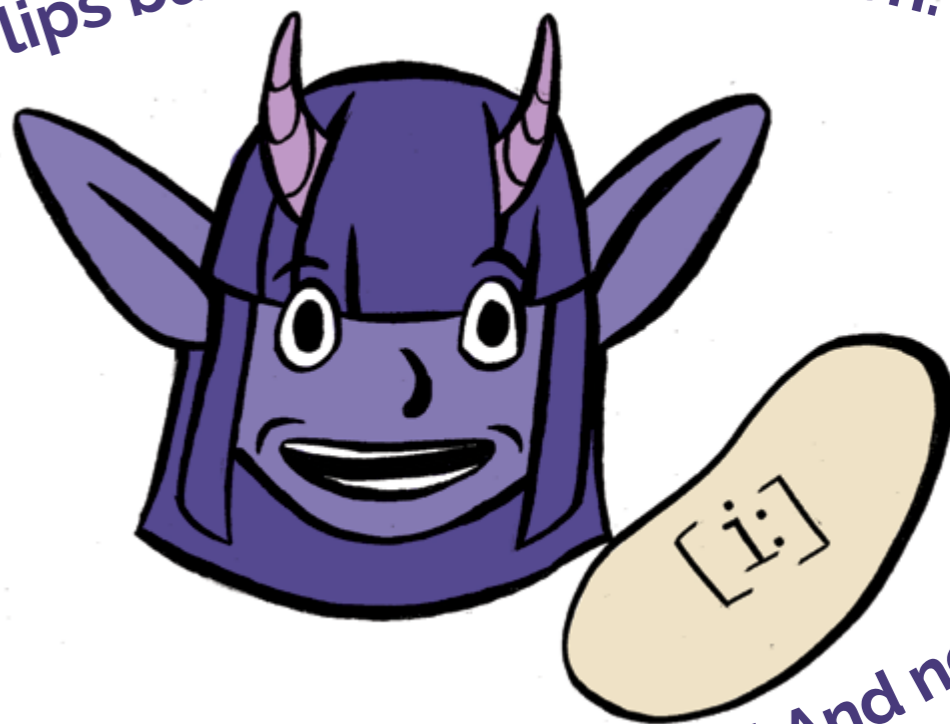

GRIN!
Relax your lips. Your mouth is not gonna be

too open or too closed... just relax and say:
GRIN!

GREEN!
Pull your lips back into a smile position.

Remember the CHEESE! And now say:
GREEN!

Relax your lips. Your mouth is not gonna be

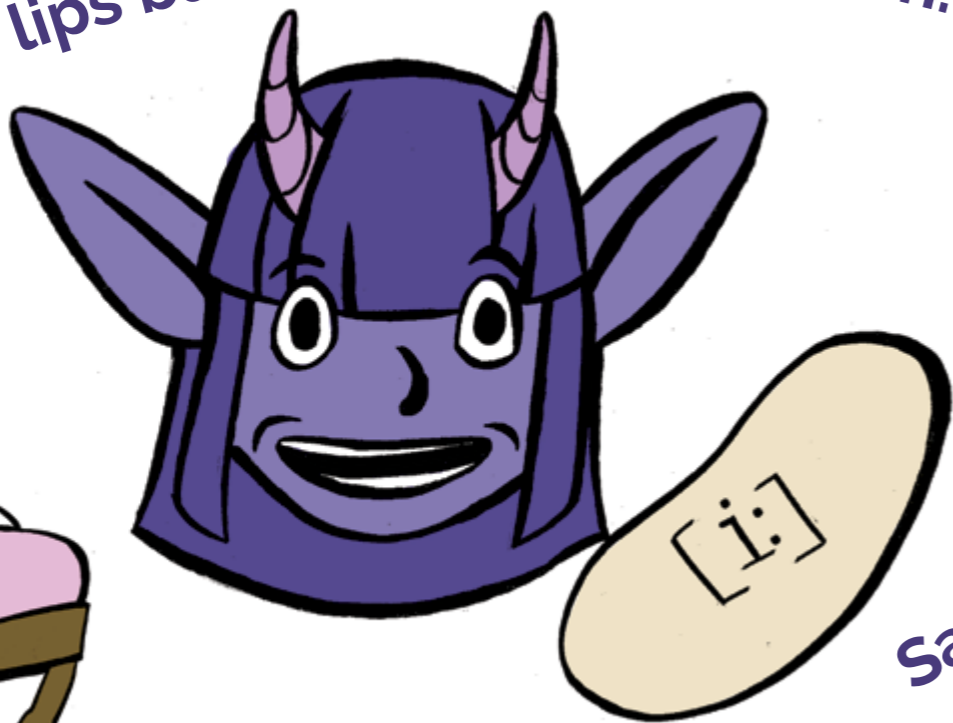

too open or too closed... say:
SLIP!

Relax your lips. Your mouth is not gonna be

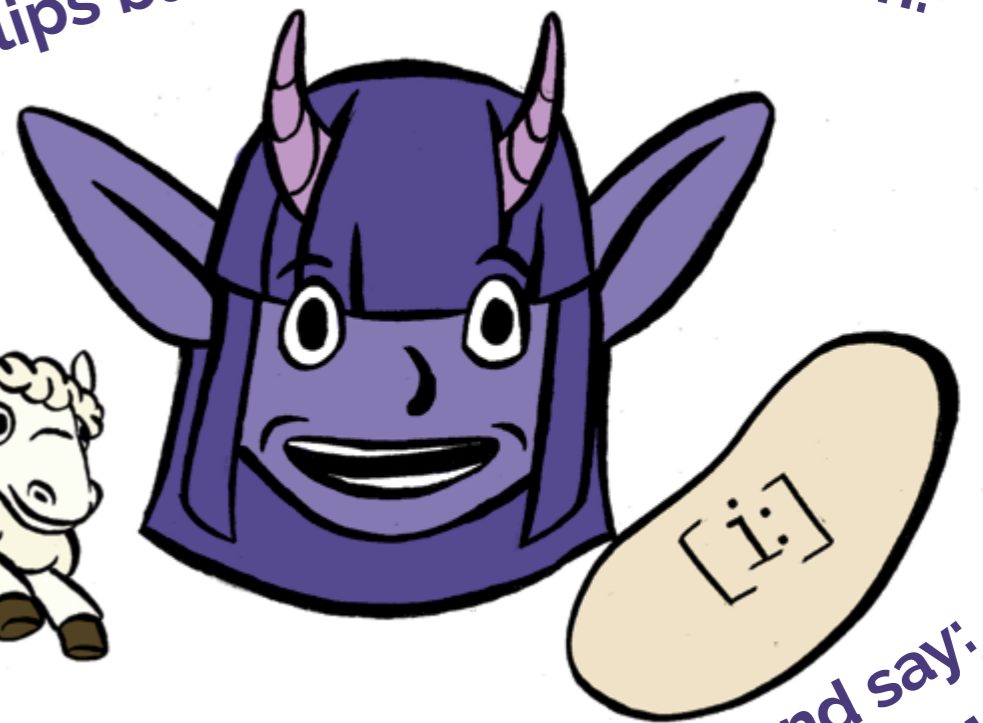

too open or too closed... say:
SHIP!

Pull your lips back into a smile position.

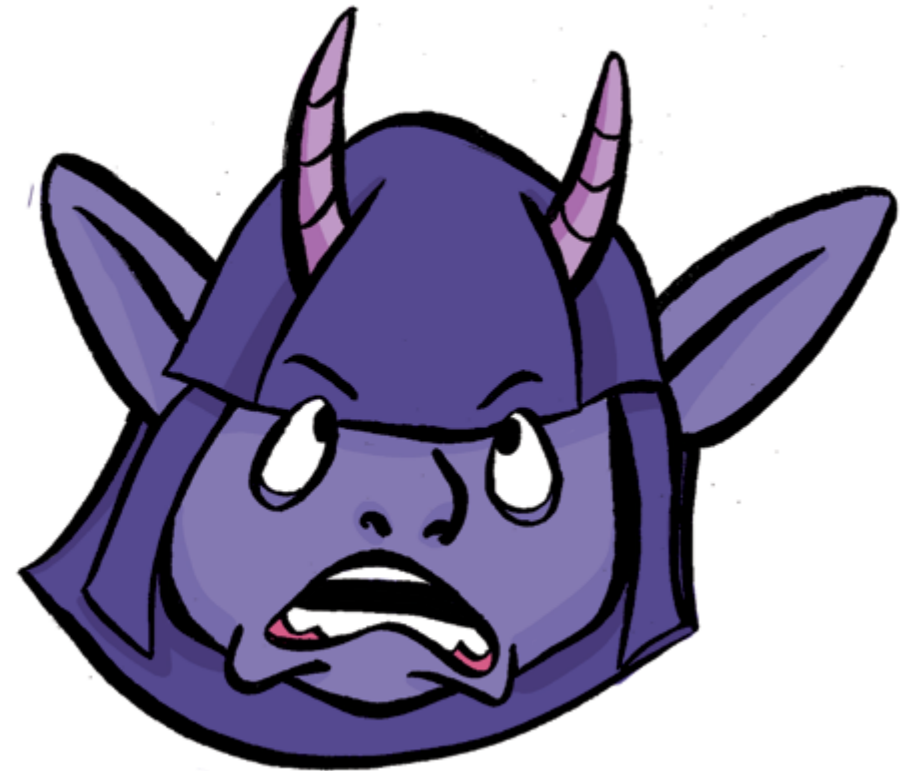

Say:
SLEEP!

Pull your lips back into a smile position.

Smile and say:
SHEEP!

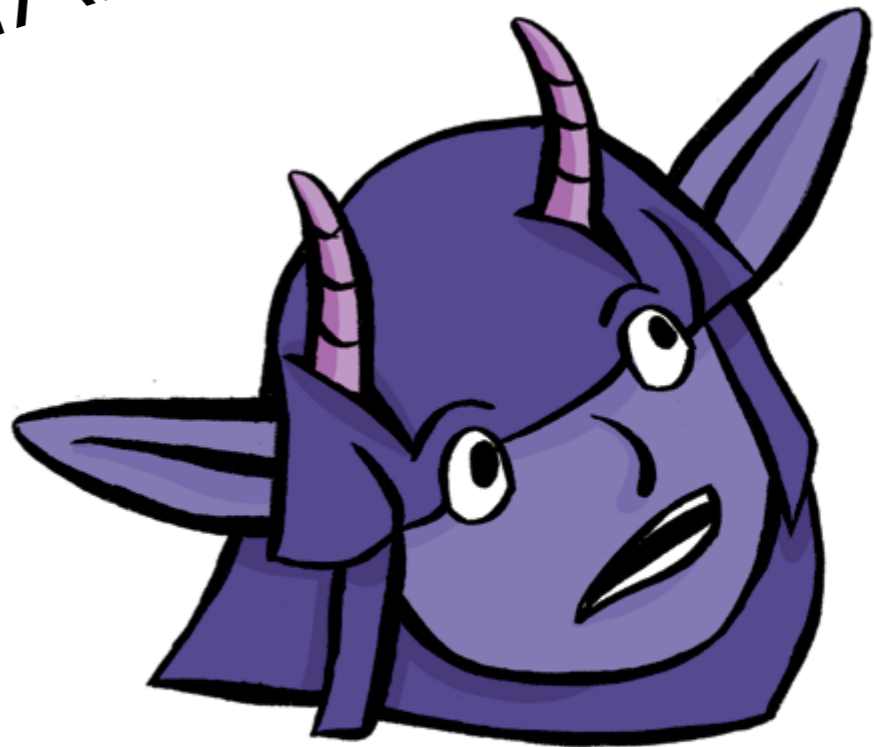

...And Grin practices...

...And practices...

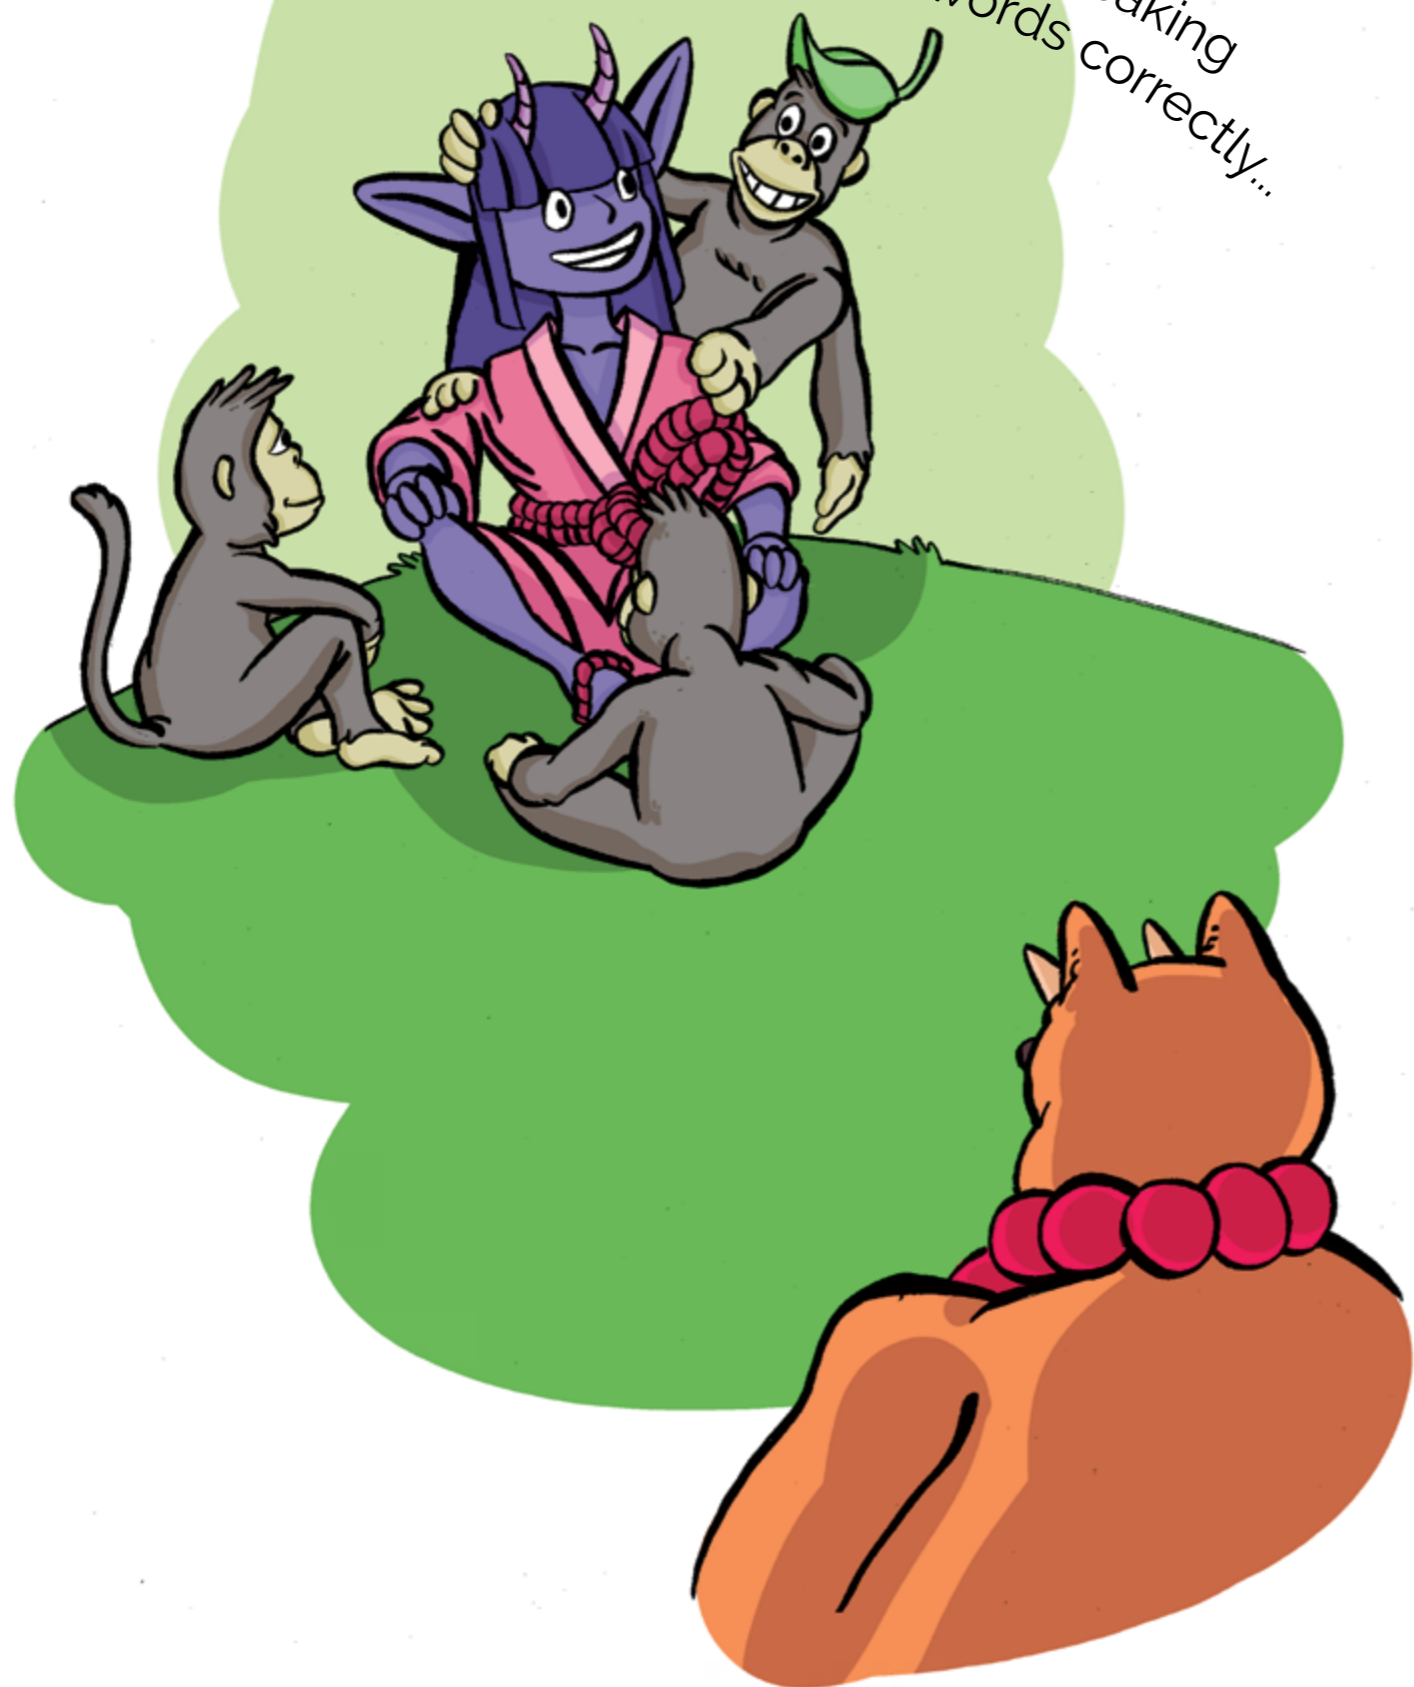

...And practices!

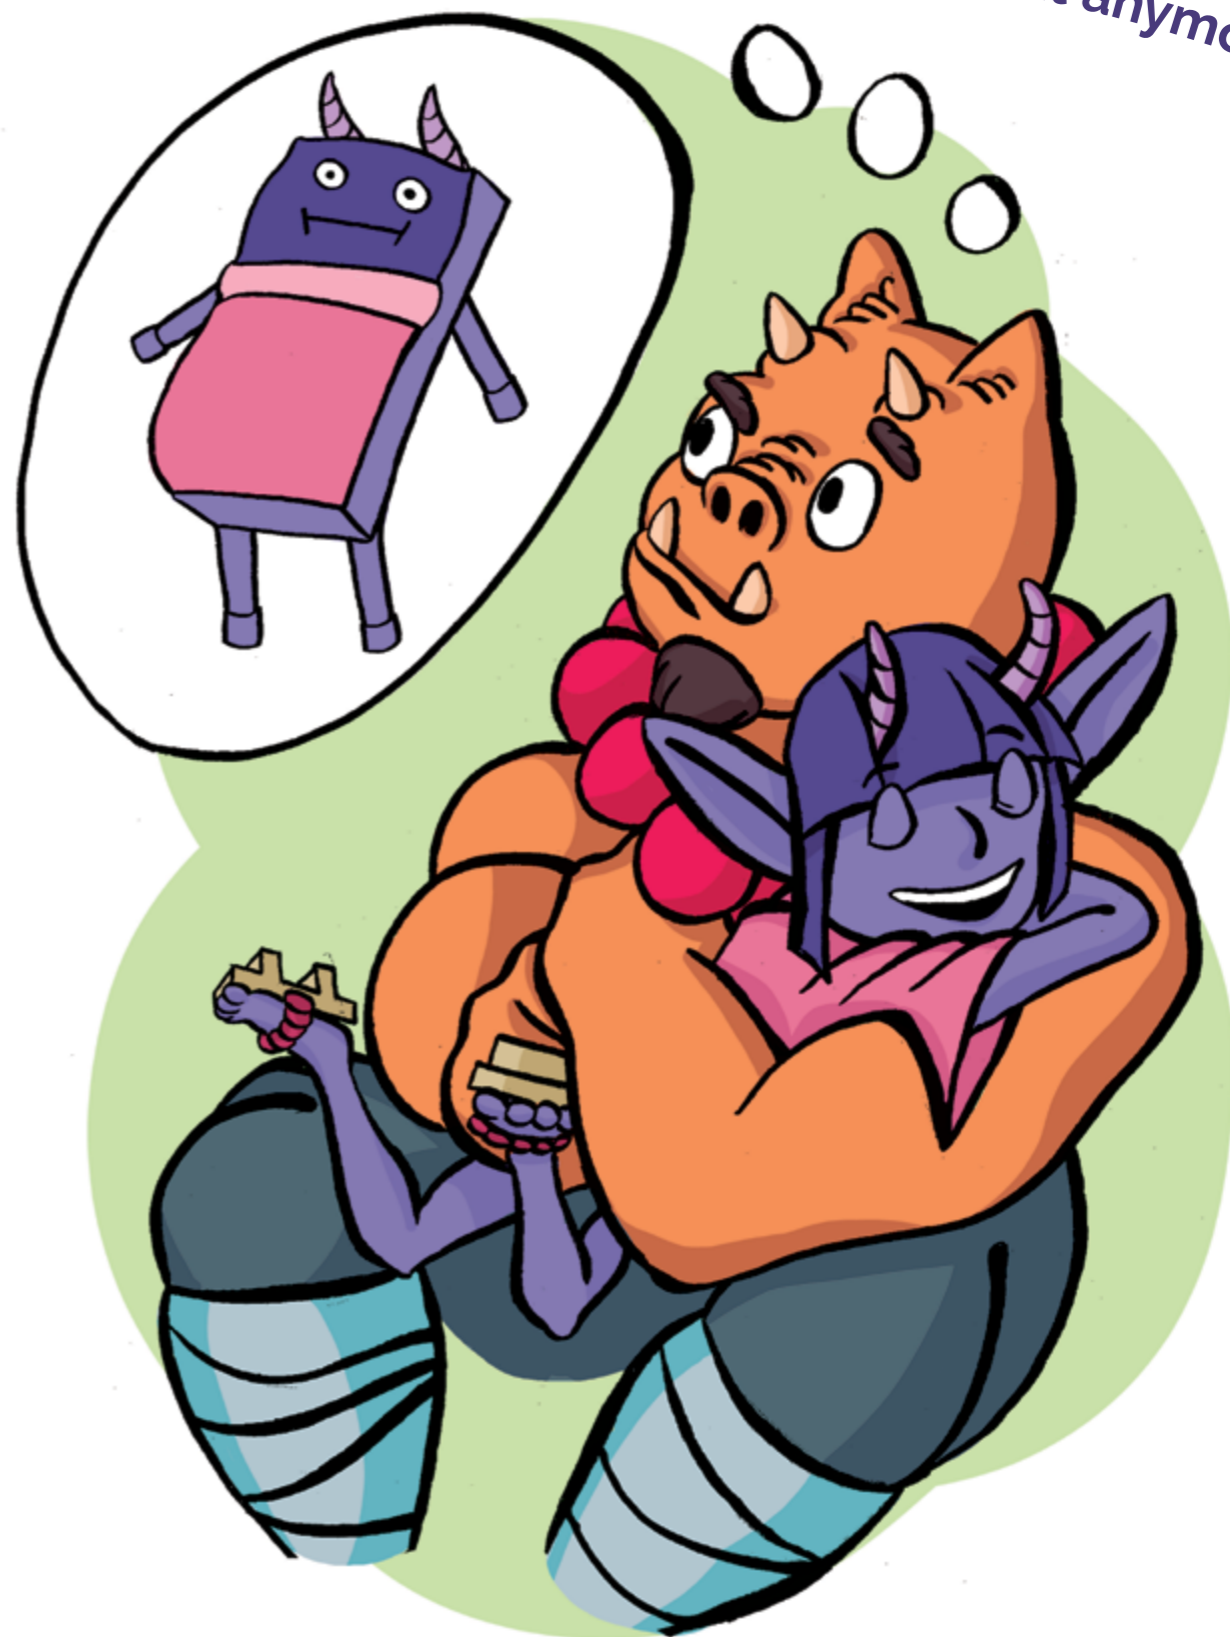

A few days later...

The Monster looks at Grin from a distance, surrounded by a lot of friends and she is speaking the words correctly...

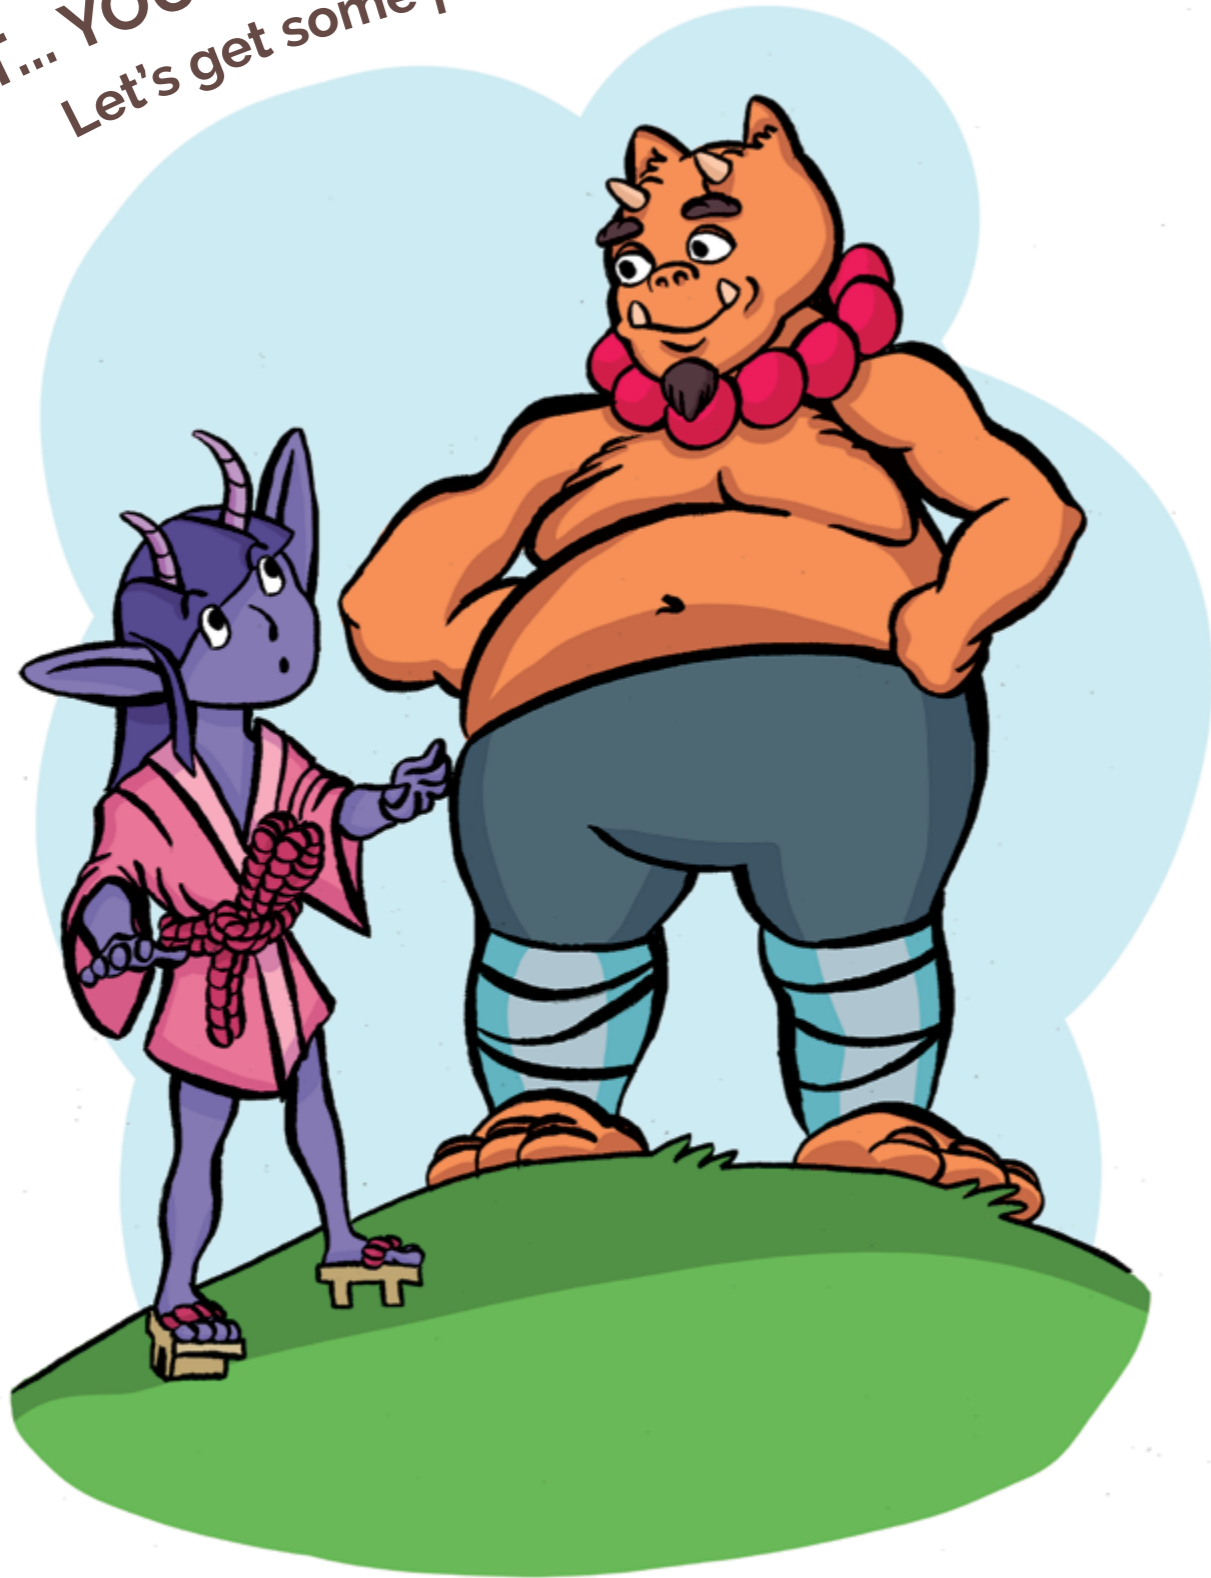

Ohhhh.... my lovely Monster! You are the best! Thanks to you, now I know how to speak much better and I can talk with anyone and, because of this, I make new friends each day.

I will not be a **BED** student anymore!

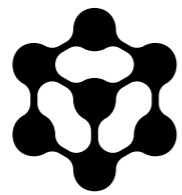

You are really a big child... CONGRATULATIONS!
but... but... but...
BUT... YOU SHOULD GO TO THE NEXT STEP!
Let's get some practice with more sounds?...

KEEP PRACTICING!
YOU ARE BIG CHILDREN!
YOU CAN BE BETTER EVERY DAY!
